A History of the Student Accounting Department

The Student Accounting Department is located in Room 207 in the Hoey Administration Building.

In October 2000 the Student Accounting Department consisted of Ms. Lola McKnight, Director of Student Accounting and Collections; Ms. Joyce Vinson-Davis, Accounting Technician I; Ms. Georgia Jones, Accounting Technician I; Ms. Tonica Smith, Temporary Employee; and Ms. Ruby Farrior, Student Accounting Supervisor. In February 2001, Ms. McKnight retired and Ms. Wiline Isom became the new Director of Student Accounting and Collections in September 2002.

We have also had the opportunity to add several new positions to our department since October 2000. The new positions are Office Assistant, Administrative Support Specialist, and two (2) Accounting Technicians. Ms. Rosalind Ballard is currently working in the Administrative Support Associate’s position. Ms. Karen Alexander and Ms. Amechi Nwosu are currently working in the two Accounting Technicians’ positions. Ms. Carmen Jones-Beasley worked in the Administrative Support Specialist position from July 2006 to July 2008. This position is currently filled temporarily by Ms. Twyla Butler.

Because of a somewhat rapid turnover in employees Student Accounting has used temporary employees and sometimes found it necessary to divide job duties among the Student Accounting Supervisor and other staff members. At all times, however, the Student Accounting Department has honored its mission – to provide accurate financial information to parents, students, faculty and staff.
