

# NCCU Libraries Mobile Webs are Available on Your Apple Device & Android Device.

**First download BookMyne from the Apple App Store or Android Market for free, open the application and find the NCCU Shepard Library, NCCU Law Library and NCCU SLIS Library. Then your device has the following functions:**

- **Search the NCCU Online Public Access Catalog and find available materials.**
- **View Library information: physical address, service desk phone numbers, and library hours.**
- **Log into My Account, check My Account information and renew checked out items.**
- **Navigate to the library home pages, access library online resources and services.**
- **Snap a picture of the ISBN on a book and retrieve availability information on the item at NCCU Libraries.**
- **Cross-check the best seller list with library holdings and place holds remotely.**
